

INTRODUCING OUR

DANCE TEAMS

FOR 2026-2027 SEASON

Congratulations to all of our amazing dancers on making the team! We are so excited for this upcoming season and can't wait to see everything this group accomplishes together. A huge thank you to everyone who auditioned and brought such incredible energy to the studio.

Now... let's DANCE!

READ FIRST

- Trust the process. We put these dancers in the teams that we feel will help them grow the best. We want your dancer to improve and be pushed just as much as you.
- If your dancer has a star* next to their name then we have some feedback for you. Contact Celestial or Susie.
- If your dancer is not on the list it is because we did not feel like they were ready for teams yet. Please talk to us about what classes can help them prepare for next season.
- Teams are based on skill level and age, and were carefully curated by 7 different judges.
- Please wait 24 hours before contacting a Director with any questions.
- Dancers MUST sign up for required Summer & Fall classes by May 30th. Reach out to Rebecca with registration questions.
- During summer, team dancers could be moved to a different team based on an increase or decrease in skill level. (The more classes they attend, the more they will grow.)
- Team dancers are required to maintain at least 80% attendance, including summer, to improve together. Summer classes start June 9th.
- We will be adding to teams until the end of June. Let friends know to contact Susie for a private audition!
- We are excited about the next season! It's going to be AMAZING!
